

Bushman or Buddha: A New Approach to Evolution

A step-by-step documentation of how biological freedom was traded for cultural serfdom: The opposite of wild is not civilized, but domesticated... People live in bands, lions in prides, cows in herds... Unfortunately, all our politicians are cowboys at heart... For those who look forward to a world in which man will be again at home. Theuns Botha, Landouweekblad Abbey to Zerzan, with solid scientific backing. Alfred Beck, author of Adam in Chains A highly important, in-depth book... What a feat! John Zerzan, author of Future Primitive
