

Dancing in the Eye of Transformation, 10 Keys to Creative Consciousness

This beautifully illustrated book takes you to a place where spirituality, quantum theory, creativity and healing meet and merge to awaken your highest potential. Dancing in the Eye of Transformation is a real-world users manual that gives practical tools for the enrichment of your mind, body and spirit. It will help you to perceive metaphysical reality and actualize personal and planetary transformation from a unique holistic perspective. It is a cosmic road map for the creative soul.
