

INDIAN GOVERNMENT POLICIES FOR SOCIOECONOMIC WELFARE: Role of Indian Government on social and economic development of women and Child in India

This book deals with the role of human resource ministry in the social and economical development of women and child in India. In this study the author has analysed the different schemes and National policies for women and child in India and their effects on society. This book has suggested the effective steps which the government can take to make those policies more effective. It also has the SWOT analysis of all the projects introduced by World Bank in India.
