ce livre est parfaitement mis en page pour une lecture sur kindl. savant, philosophe, ecrivain et homme politique, ne le 17 septembre 1741 a Ribemont en Picardie, mort a Bourg-la-Reine, le 29 mars 1794. Il se distingua de bonne heure comme mathematicien, et entra a vingt-six ans a lAcademie des sciences, dont il devint en 1776 le secretaire perpetuel. En 1782, il fut recu a lAcademie francaise. Quand la Revolution commença, Condorcet se trouvait être lun des derniers survivants de la generation qui avait connu Voltaire et les encyclopedistes. Sa renommee, ses talents, son esprit liberal et sa passion pour le bien public le designaient pour un role important dans le grand mouvement de renovation nationale qui allait accomplir. Il accepta en 1790 les fonctions de membre de la municipalite parisienne ; au commencement de 1791, il fut nomme lun des six commissaires de la Tresorerie, et resigna en consequence ses fonctions municipales. Apres la fuite du roi, il donna sa demission, quitta lhotel des Monnaies, et se prononca resolument en faveur de la Republique. En septembre de la meme annee, il fut élu depute de Paris a lAssemblée legislative, et devint des le debut membre du Comite dinstruction publique de cette assemblee (28 octobre).
