

## The Money-Launderers

Everyone has heard of money-laundering the way that organised crime turns the dirty, often blood-stained proceeds of nefarious activities into clean, untraceable cash. But to most it remains a mystery how it is actually done; what the risks are, and what it takes to get away with it or get caught. The Money Launderers provides a fascinating insight into the workings of organised crime. It will be of interest to the general crime enthusiast, to companies and organisations seeking to protect themselves, and perhaps to the odd would-be launderer as well ...
